

Luke and Loren
Physicians indeed
Helping in healing
Filling that need

Both brought to Jesus
During medical years
Joyful repentance
Laughter and tears

Luke wrote a Gospel
We read it today
Loren he spreads it
What more can we say

Loren and Luke
Companions in art
Beautiful painting
Showing the heart

Luke and Loren
Partners in faith
Doing God's work
And running the race

Loren, you're honored
Much has been said
So many lives healed
God's Kingdom is spread

*Some traditions record Luke as a Painter,
he is held as patron of painters of pictures
